An inviting kitchen for friends to cook up sweet treats!

- Realistic refrigerator, stove and microwave fuel imaginative kitchen play
- Pet home helps teach kids responsibility with their furry friends
- Whip up some creations at the electronic bubbling stovetop
- Click the knobs on the oven, pour the coffee & talk on the phone
- Brighten up your space with the working chandelier (turns on and off!)
- Plenty of storage bins makes cleanup quick and easy!
- Large accessory set (41 pieces) makes this a favorite for several kids together
- Requires 2 “AA” and 2 “AAA” batteries, not included
